Tender 2026-16-IPWE **2026 Storm and Sanitary Sewer Cleaning and CCTV Inspection**

Section I – Information

Background

The Corporation of the Town of Renfrew, hereinafter referred to as the “Town”, is seeking bids from qualified and experienced contractors for storm and sanitary sewer cleaning, camera inspection, and structure inspections under the Infrastructure, Public Works & Engineering Department.

The lowest or any bid will not necessarily be accepted, and the Town reserves the right to award any portion of this tender. This offer shall be irrevocable for a period of ninety (90) calendar days following the date bids are to be received.

Registration and Communications

It is mandatory that you register as a bidder with the Corporation of the Town of Renfrew. **Failure to register will result in non-acceptance of your submission.**

Please remit Name of Company, Name of Contact Person, and Contact Information to:

Ashley Robertson, Purchasing Assistant, Town of Renfrew
Email: purchasing@renfrew.ca

All communications must reference **Tender 2026-16-IPWE** in the subject line.

Questions related to this tender or the requirements are to be received by **10:00 a.m. on September 4th, 2026**. Inquiries should be directed to the Municipal Contact listed.

Municipal Contact: Ashley Robertson, Purchasing Assistant, Town of Renfrew
Email: purchasing@renfrew.ca

Where a bidder finds discrepancies or omissions in the tender requirements or otherwise requires any clarification, the bidder should contact the Corporation of the Town of Renfrew in writing by email as noted above. Where the Corporation of the Town of Renfrew deems that an explanation or interpretation is necessary or desirable, an addendum may be issued.

Only documents provided to bidders by the Town or found on Biddingo are to be considered the **official** documents. The Town accepts no responsibility for the accuracy of information found on other websites. The onus is on the bidder to check on the Town's and Biddingo's website to verify they have received all relevant information. The Town

reserves the right to not accept a bid submission if determined that the documents have been altered from the Town's own official documents.

Delivery and Closing Time

Tenders must be received no later than **2:00 p.m. Thursday, September 10th, 2026.** The time clock in the main counter service area in the Renfrew Town Hall Office is the official time for the deadline for submission. The Town is not responsible for submissions which arrive late or are not properly marked.

- (a) All Tenders shall be submitted on the supplied Tender Form, in a sealed envelope and shall be clearly marked as to the contents and bidder's name.
- (b) Tenders received by this time, date and at the location specified above, shall be opened and read in a public opening. The public reading of a tender does not imply any decision by the Corporation of the Town of Renfrew on whether a tender is or is not irregular.
- (c) All Tenders must be completed in full, in ink and be legible.
- (d) The Tender Document shall not be modified in any way.
- (e) Late Tenders **will not** be accepted beyond the closing date/time as set out. Tenders received after the established closing will be returned unopened.
- (f) Tenders transmitted by fax or email **will not** be considered.
- (g) Should a dispute arise regarding the meaning or intent of the contract documents, the decisions of the Town shall be final.
- (h) The Town of Renfrew will make documents available in an accessible format or via appropriate communication supports upon request.

The Bidder Declares

- a) No person, firm, or corporation, other than the Bidder, has any interest in this Tender in the proposed contract for which this tender is made.
- b) This Tender is made without any connection, comparison of figures or arrangements with or knowledge of any other corporation, firm or person making a tender for the same work and is in all respects fair and without collusion or fraud.
- c) No member of Council and no officer or employee of the Town is or will become interested directly or indirectly as a contracting party, partner, shareholder, surety or otherwise in any portion of the profits thereof, or in any of the monies to be derived there from.

Special Provisions – General

1. This tender is for the cleaning and CCTV inspection of various sanitary and storm systems across the Town of Renfrew as shown on the enclosed maps.
2. The unit prices and total tender price shall include all applicable taxes, except Harmonized Sales Tax (HST). HST shall be shown separately as indicated.
3. It is the contractor's responsibility to gather accurate measurements and determine the length of the sewer system inspected. This bid price shall incorporate any and all costs to complete each item. No additional payment shall be considered.
4. Payment will be in accordance with the Town's Purchasing Policy. Payment will be processed after a formal invoice has been provided by the contractor.
5. The Town must be notified by the Contractor at least five (5) days prior to the commencement of any work.
6. It shall be the responsibility of the Contractor to obtain any Ontario Provincial Standard Specifications (OPSS) referred to in the Schedule of Prices. The OPSS can be found online at:
<https://www.library.mto.gov.on.ca/SydneyPLUS/TechPubs/Portal/tp/opsViews.aspx>
7. This offer shall be irrevocable for a period of 90 calendar days from the date of tender opening.
8. The Town reserves the right to accept or reject any Tender in accordance with the Tender Documents. No binding contract shall be formed until the Tender has been approved and the Form of Agreement has been executed by both parties.
9. OPS General Conditions OPSS.MUNI 100 (November 2024) shall apply to this contract.
10. The Contractor shall discharge all liabilities incurred by them for labour, materials, and services used or reasonably required for use in the performance of this agreement on the date upon which each becomes due and all liabilities incidental thereto.
11. The Contractor understands and agrees that neither they, nor anyone hired by them, is covered by the Town under the Workplace, Safety and Insurance Board and they shall be responsible for, and shall pay all dues and assessments payable under the Workplace, Safety and Insurance Board, the Unemployment Insurance Act or any other Act whether Provincial or Federal, in respect of themselves, their employees and operators, and shall upon request, furnish the Town with satisfactory evidence that they have complied with the provisions of any such Act.

If the Contractor fails to do so, the Town shall have the right to withhold payment of such sum or sums of money due to the Contractor that would be sufficient to cover the Contractor's default and the Town shall have the right to pay the same. Information on coverage under the Workplace, Safety and Insurance Board can be obtained directly from the Workplace, Safety and Insurance Board.

12. A copy of the Contractor's Health & Safety Manual must be provided prior to commencing work. All employees must have certified training as required under the Ontario Health and Safety Act. This is deemed to include confined access, traffic control, WHMIS and other training as may be applicable. The contractor must produce written confirmation of training for any and all personnel employed on this project at the request of the Town.
13. The Contractor covenants and agrees with the Town to indemnify it and save it harmless from all claims by third parties arising out of the performance of this agreement, including blasting operations where applicable.
14. If the Town is called upon to pay any such liability of the Contractor set out in Special Provisions-General 10 to 11 above, then the Town may deduct the amount so paid from any monies due, or that may become due to the Contractor. If there are insufficient monies due, or to become due to the Contractor to permit such deductions, the Contractor shall pay the Town upon demand an amount sufficient to make up the deficiency.
15. A Traffic Control Plan (TCP), prepared in accordance with the current edition of the Ontario Traffic Manual – Book 7, shall be submitted to the Town a minimum of five (5) working days prior to the commencement of any work. Work shall not proceed until the TCP has been reviewed and accepted by the Town.

The Contractor shall supply, install, and maintain all required traffic control devices, including signage, cones, barriers, and trained flag persons, in accordance with the approved TCP and Book 7 requirements.

At no time shall work proceed without appropriate traffic control measures in place. Failure to provide adequate traffic control may result in immediate suspension of the Work by the Town until deficiencies are corrected, at no additional cost to the Town.

The contractor will maintain traffic in accordance with the approved TCP unless otherwise approved by the Town.

The approved TCP shall be kept on-site at all times and made available upon request.

16. The Contractor declares that he has paid or will pay forthwith all Provincial and Federal Taxes that apply to the said contract.

17. The Town is not to be deemed the employer of the Supplier or his personnel under any circumstances whatsoever.
18. The Contractor shall comply with all applicable Municipal by-laws regulating hours of work and noise (10:00 p.m. to 7:00 a.m.). Work shall not be carried out on Saturdays, Sundays, or statutory holidays recognized by the Municipality without prior written approval from the Town. Where work outside of standard Municipal working hours is approved, the Town reserves the right to recover any additional costs incurred, including inspection or administrative costs. Requests for weekend or after-hours work shall be submitted in writing a minimum of five (5) working days in advance. The Contractor shall not proceed without written approval from the Town.
19. Work shall commence upon confirmation with the Town and shall proceed continuously to completion. All work shall be completed within twenty-one (21) days of award date. The Contractor shall coordinate all resources and operations to meet this deadline. Any change in the commencement date shall not entitle the Contractor to additional compensation or an extension of time unless approved in writing by the Town.

Special Provisions – Items

1. **Clean and Camera Sanitary and Storm Sewer Pipes:** The Contractor shall supply all labour, materials, equipment, and incidentals necessary to clean, and complete CCTV inspection of sanitary and storm sewer systems. Sewer cleaning shall be carried out using suitable equipment to remove all debris, sediment, and obstructions from the sewer system.

CCTV inspection shall be completed using suitable camera equipment capable of producing clear, continuous digital video recordings. The recordings shall include on-screen data identifying location, date, and direction of inspection. A continuous record of the internal condition of the sewer shall be provided.
2. **Inspect Catch Basins & Manholes:** The Contractor shall inspect all catch basins and manholes connected to the sewer system. The Contractor shall provide a report detailing the condition of each structure, including the type of structure (precast or cast-in-place), condition of components (cover, frame, adjustment units and structure), and identification of any deficiencies with defects.
3. **Additional Cleaning of Sewer (Provisional):** If any section of sewer is determined by the Town to be insufficiently clean to permit an acceptable video inspection, the sewer shall be re-cleaned and re-inspected. An acceptable video shall be one in which the full pipe circumference is visible and free of debris, fogging, or obstructions that would prevent proper condition assessment, as determined by the Town.

The first three (3) passes with the flusher head shall be included in the item “Clean and Camera Sewer.” Any additional passes shall be paid under the provisional item “Additional Cleaning of Sewers” at the contract hourly rate.

4. **Reporting:** The Contractor shall supply written and digital reports detailing the work completed, including a map, structure identification numbers for catch basins, number of connecting lines per structure, pipe material, pipe length, pipe diameter, and direction of flow.

The final report, including all video files and supporting documentation, shall be submitted to the Town within ten (10) business days following completion of field work, unless otherwise directed.

All inspection videos and reports shall be clear and legible. The Town reserves the right to reject submissions that do not meet acceptable quality standards.

5. OPSS 180 (April 2025), OPSS 201 (April 2019), OPSS 409 (July 2024), and OPSS 510 (April 2025), shall apply to this contract.
6. The basis of payment will be at the contract unit price. The Contractor shall be paid for the length of sewer inspected. No additional compensation will be provided for removing and re-installing the camera.
7. **Water:** Water will be available at 529 Lisgar Avenue, Renfrew, between the hours of 6:00 a.m. and 4:00 p.m., Monday through Friday, at no cost to the Contractor. The Contractor shall notify the Town prior to collecting water for the project. The Town does not guarantee the availability of water at all times and shall not be responsible for any delays, liabilities, damages, losses, or costs incurred by the Contractor arising from the collection or unavailability of water.
8. **Storm Waste:** Waste generated from the cleaning of storm sewers may be disposed of at the Town of Renfrew's Gravel Pit located at 480 Bruce Street. The Contractor shall notify the Town prior to depositing waste at the designated disposal site. All transportation, handling, and disposal of waste shall be the sole responsibility of the Contractor and carried out in accordance with all applicable laws, regulations, approvals, and site requirements.
9. **Sanitary Waste:** Waste generated from the cleaning of sanitary sewers may be disposed of at a MECP approved septage receiving site. All transportation, handling, and disposal of waste shall be the sole responsibility of the contractor and carried out in accordance with all applicable laws, regulations, approvals, and site requirements.

Inspection

The Town reserves the right to:

- (a) Inspect all work performed by the Bidder under this Tender.
- (b) Shut down any operation, which gives an indication of poor workmanship or substandard materials being supplied under this Tender.
- (c) Refuse acceptance of workmanship until it is proven to be of a satisfactory quality.

Materials

- (a) Materials and equipment shall be supplied by the Contractor.

Labour

- (a) All work shall be performed by workers who are qualified and skilled to carry out and perform the duties required in the Contract.

Supervision and Coordination

- (a) The Contractor shall appoint an experienced Supervisor to be responsible for all the work required under the Contract. The Supervisor shall be responsible for coordinating and supervising the Work.
- (b) The Supervisor shall be readily accessible to the Town personnel at all times.

Commencement and Termination

- (a) The Contractor shall commence work on the date stated in the Agreement as agreed upon by the Contractor and the Owner and shall continue for the period of time designated therein unless terminated in accordance with the provisions of this Contract.
- (b) The Town reserves the right to terminate the Contract upon giving seven (7) days written notice to the Contractor if it deems the services of the contractor are no longer required, or in the event of the Contractor neglecting or failing to perform the work properly or diligently.

Change In the Work
