

Town of Renfrew Special Council Summary

Tuesday, November 7th, 2023

Full Agenda: <https://www.renfrew.ca/municipal-calendar.cfm>

Fire Department Dispatch Services: The Town of Renfrew will enter into a three-year agreement with the Brockville Fire Department for fire dispatching services. Transitioning to a dedicated fire dispatch centre will improve system reliability and increase firefighter safety. Costs for necessary equipment upgrades will be included in the 2024 Capital Budget.

Services Agreement with the Ontario Clean Water Agency: The Town of Renfrew will transition the distribution of water and wastewater collection services to the Ontario Clean Water Agency (OCWA). OCWA currently operates the Town's wastewater treatment facility and water treatment plant with Town staff managing water distribution and wastewater collection. Council voted to enter into a service agreement with OCWA for provisions of all drinking water, and wastewater services effective January 1st, 2024. OCWA is a Crown Agency of the Province of Ontario and manages services for several nearby municipalities including the Town of Petawawa. As a Crown Agency, OCWA is committed to ensuring all Ontario communities have access to a provider of safe and reliable water and wastewater services.
