

# Curbside Pickup

- Collection day can be viewed on the waste collection area map at [www.renfrew.ca](http://www.renfrew.ca)
- A paper copy of the waste collection schedule can be picked up at Town Hall, the Renfrew Landfill, the myFM Centre or the Library. The schedule can be also be accessed from the Town's Website or by using the Town's bciti app. on your smartphone.
- Place garbage curbside after 6 p.m. the night before collection and **BEFORE** 7 a.m. on the day of collection.
- During winter, please do not place bags, containers or bins behind, on top, or in the side of snow banks.
- Garbage bags/containers, recycling bins and leaf and yard waste bags/ bundles must not exceed 23 kg (50 lbs) each.

## Garbage

- Two (2) bag limit per residential unit.
- Four (4) bag limit per commercial unit.
- Additional bag tags can be purchased for \$3.00 each at the Town Hall, Landfill, myFM Centre and Library.
- Maximum bag size: 26" x 32".
- Maximum container size: 67 Litres.
- Loose items must be combined and securely bagged.
- Household Hazardous waste should not be disposed of in household garbage. Information on the Household Hazardous Waste Depot is provided in the Landfill section of this pamphlet.

## Leaf and Yard Waste

- Curbside leaf and yard waste pickups occur during 3 designated weeks in the spring and fall, refer to the annual waste management flyer for specific weeks.
- Leaf and yard waste must be curbside before 7 a.m. on the Tuesday of the scheduled week. Pickups will occur throughout the week and may not correspond to garbage and recycling collection days.
- Leaf and yard waste must be in paper bags or bound bundles that do not exceed 5' in length or 2' in diameter.
- Individual branches cannot exceed 1" in diameter.
- Leaf and yard waste is accepted year round for free of charge at the Renfrew Landfill.

## Recycling Residential

- The residential recycling program is managed by a non-for profit organization called Circular Materials through a local contractor (Miller Waste).
- The Town of Renfrew will no longer set the recycling collection schedule, provides recycling related information including recycling calendars, or address recycling related customer service calls. Circular Materials will provide this information to properties that qualify for their curbside recycling pick up program. The Town of Renfrew may on occasion share community specific recycling related information, on behalf of Circular Materials, however the best method for staying informed about your recycling collection will be through Circular Materials and their contractor.
- Visit [circularmaterials.ca/Renfrew](http://circularmaterials.ca/Renfrew) to learn more.
- Residents may drop off recycling for free at the Renfrew Landfill.

## Non-residential

- Recycling collection for businesses, and community organizations is provided by, the Town of Renfrew, separately from residential collection. This separation is required due to Provincial Regulation. For properties that are multi-use, these changes only apply to the non-residential functions of the property, residential units will be serviced under the Circular Materials program.
- Curbside Recycling Collection for non-residential Organizations occurs on Fridays regardless of the garbage collection day.
- Collection type alternates weekly from Fibre/ Cardboard/Flexible Plastics to Co-mingled Containers on the same schedule as the residential program. A calendar is available on request. Paper copies can be picked up from Town Hall, BIA, or Chamber of Commerce offices or can be provided digitally by email.
- Non-residential organizations may drop off recycling for free at the Renfrew Landfill.
